

Modern Brock Pickleball Ladder

October Monthly Prizes

Each month (hopefully) there will be prizes available to be given away. Each win will result in a player's name to be entered in a draw. For example, a match played with a result of 3 games to 2. The winner would have their name entered 3 times and the loser 2 times.

- May only win once as a singles player per draw/month.
- May only win once for each team they play on per draw/month.
